

READING BLUE COAT

Accessibility Plan 2022 - 2025

Ethos and aims

Reading Blue Coat School ('the School') strives to be a fully inclusive and welcoming school and therefore aims to ensure that each and every pupil can participate fully in the life of the School.

Definition of disability and scope of the plan

A child or young person is disabled if they have a physical or mental impairment which has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities (as defined by the Equality Act 2010).

The School's Accessibility Plan contains relevant actions to:

- increase the extent to which disabled pupils can participate in the School's curriculum,
- improve the School's physical environment for the purpose of increasing the extent to which disabled pupils are able to take advantage of education and benefits, facilities or services provided or offered by the School, and
- improve the delivery to disabled pupils of information which is readily accessible to pupils who are not disabled.

How the plan is constructed

The School's Accessibility Plan is reviewed by the Senior Leadership Team and they will co-opt additional staff members whose expertise in any field could be of assistance (e.g. the School's Health and Safety Officer, the Maintenance and Grounds Team, the Deputy Bursar, the Head of Learning Support). They are responsible for:

1. reviewing annually the School's policies, procedures and facilities as they are likely to affect pupils and prospective pupils who are disabled;
2. making recommendations with a view to improving the accessibility of its education in many aspects to pupils or prospective pupils with disabilities by means of reasonable adjustments and by planning for the future
3. preparing the School's Learning Support and Disability Policy.
4. preparing the School's Accessibility Plan
5. reviewing such plans and policies as necessary and at least on an annual basis.

The following has been considered when developing and reviewing the plan:

- Admissions
- Attainment
- Attendance
- Exclusions
- Education
- Extra-curricular activities
- Governing body representation
- Physical school environment
- Selection and recruitment of staff
- Sporting education and activities
- Staff training
- Welfare

The School will review its provision for pupils with special educational needs and/or disabilities. Views of teaching and non-teaching staff and pupils will be obtained and considered. We will use those views to ascertain understanding in the school community of disability and accessibility, priorities for our pupils with SEN and/or disabilities and priorities for our pupils' parents. The views of the School's local authority will be sought as part of the process.

The School will consult staff with responsibility for the induction arrangements for new pupils to ensure that the particular needs of disabled pupils are recognised in advance, that suitable staff training is provided and that any modifications to the curriculum or premises are considered.

How the plan is reviewed and monitored

This Accessibility Plan will be reviewed bi-annually by the Senior Leadership Team and annually by the Governing Body of the School. The Senior Leadership Team will identify which measures have been achieved and where any delay in implementation is foreseen. The Accessibility Plan will then updated with adjusted time-frames where necessary.

The School's Governors are ultimately responsible for ensuring the implementation of the accessibility plan during the period to which it relates. A new plan will be drawn up every three years.

The Plan should be read in conjunction with the School's Admissions Policy and Learning Support and Disability Policy.

Improving access to the curriculum

	Targets	Action and Resource Required	Timescale	Responsibility	Evidence of Impact / Outcomes
Short Term	Embed the understanding and use of the new PIPs system (pupil information passports), launched in April 2022 among teaching staff. Support the induction of new member of staff in Learning Support Department.	Time and reminders to staff; use of new system; continued communication with Learning Support department. Induction meetings and department planning.	Ongoing Sep 2022 - ongoing	SEB All teachers SEB	More accessible format for teacher access to student specific information for additional needs. Expression of pupil voice on PIPs sharing insight into personal impact of difficulties. Greater response by teachers to individual needs. Increased capacity and specialism in LS dept.
Medium Term	Conduct a review of EDI, inclusive of disability / SEND – academic and pastoral focus. Identify and provide training to all teaching staff for key access issues of pupils (e.g. ADHD, ASD, etc.).	Time Time slot for CPD; budget	Academic year 2022-2023 Academic year 2022-2023	SRL SEB and KJM	Presentation and discussion of review outcomes Provision of training Improved, cohesive provision across teaching staff for SPLD evidenced by HoLs SEB/RTI SEND learning walks.
Long Term	Gradual improvement and expansion of pastoral spaces / staffing to better meet the needs of pupils and give flexibility to accessing the curriculum. Facilitate better coordination between Medical, Learning Support, Academic Departments. Proactive and reactive response to emerging pupil needs, as per disabilities and profiles of specific individuals.	Liaison between members of academic SLT and the Bursar; continuing review of pastoral staff training and availability; increase of 'visibility' roles in the school. Time and budget as needed.	Academic years Sep 22 – Aug 2024 Ongoing	TT GJW RTI SLT SEB	More capacity in pastoral spaces and staff; more skilled pastoral staff. Staff and pupils reporting appropriate access to excellent provision Individual pupils feeling supported; positive feedback for individual cases. Need for something relating to Admissions and recruitment of SEND students.

Improving access to information

	Targets	Action and Resource Required	Timescale	Responsibility	Evidence of Impact / Outcomes
Short Term	Embed use of new PIP system (see above) to help teachers improve delivery / access for information in classroom and at home. Create accessibility checklist for pastoral communications. Greater accountability for acting on shared information on additional needs	Reminder and focus on the PIP system; continuing familiarity. Time to draft, consult with LS dept, publish Continued publication of Access Matters Learning Support online newsletter for busy teachers	Ongoing By end of calendar year (2022) Ongoing	SEB All teachers GJW SEB	Better classroom practice for information access. PIPs don't provide this – they are readily accessible documents for teachers replacing ILPs which were written in a longer format. Adherence to guidance by pastoral staff; more accessible communications. Increased readership and application of strategies on dept basis reported / surveyed to HoLS by HoDs
Medium Term	Use posters and school information campaigns to better advertise support for access in many forms: LS dept, but also mentoring, counselling, etc. LS champions as initial student friendly discussion contacts for those with additional needs.	Time, budget. Development and printing of information posters. Time in meetings and assemblies. Learning Support	Throughout academic year Sep 22- Aug 23	GJW SEB SEB	Better public display of information. Better understanding among pupils. LS Champion established in each year group. Regular meeting with SEB for guidance.
Long Term	Proactive and reactive response to emerging pupil needs, as per disabilities and profiles of specific individuals. LS already operates in this way from baseline assessment and emerging needs evidenced from the classroom	Time and budget as needed.	Ongoing	SLT SEB	Individual pupils feeling supported; positive feedback for individual cases. We already receive this in LS
